## Subjects.jsp

---

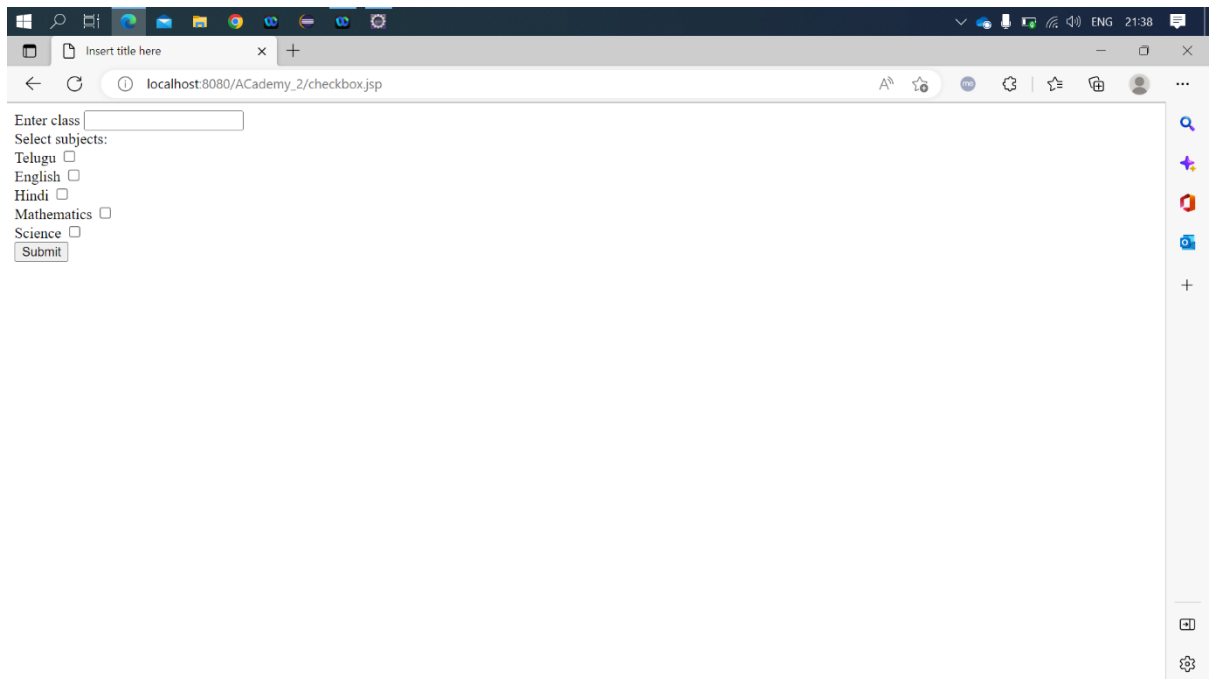

The screenshot shows a web browser window with the address bar displaying "localhost:8080/ACademy\_2/Subjects.jsp". The page contains a form with three text input fields labeled "Subject", "Class", and "Teacher", and a "Submit" button. The browser's taskbar at the top shows various application icons, and the system tray on the right indicates the time as 21:37 and the language as ENG.
